Sir:

The above-identified national phase patent application became abandoned because the applicants did not reply to a "notification of missing requirements" mailed November 6, 2000. The date of abandonment is May 7, 2001.

The applicants hereby petition for revival of this application. In order to fulfill the reply requirement for this petition, the applicants enclose the required executed declaration from the inventors, along with a copy of the original notification. No terminal disclaimer is required. The entire delay in filing the required response from the due date until the filing date of a grantable petition was unintentional.

The small entity fee of \$650.00 under 37 C.F.R. § 1.17(m) for filing this petition may be charged to our deposit account no. 03-3975, under our order no. 76934/277169. The small

entity surcharge of \$65 under 37 C.F.R. § 1.16(e) for late filing of the Declaration is also due and may be charged to our deposit account no. 03-3975, under our order no 76934/277169.

In addition, if any other fees are due, those fees may also be charged to our deposit account under that same order number. This petition is being filed in duplicate for accounting purposes.

Favorable action on this petition is earnestly solicited. If the official examining this petition has any questions, he or she is invited to contact the undersigned to discuss those questions.

Respectfully submitted,

Pillsbury Winthrop LLP
